GREENWOOD ATHLETIC CLUB will have a grand opening, which will unveil its three new pools, July 22.

Greenwood Athletic Club unveils Three New Pools at grand opening July 22

Greenwood Athletic Club and Tennis Center, the full-service health and fitness club in Greenwood Village, has completed a six-month expansion and renovation of its 32,000 square-foot outdoor aquatic facility.

The grand opening celebration will take place on July 22, 11 a.m.-3 p.m. The aquatic facility features three new outdoor pools, including the only year-round, 25 meter, six-lane lap pool with heated deck in the Denver area, a youth pool with slide and spray features, an adult leisure pool with waterfall, cabana food service provided by ink! Coffee, shaded lounge areas, as well as new youth and family locker rooms. The club will host games, prizes, entertainment and fun for the entire family at this event.

According to Molly Kemmer, Assistant General Manager for Greenwood Athletic Club and Project Manager of the aquatic renovation, "This major project took place in an amazingly short timeframe, and it will be nice to slow down and celebrate with our members. We are thrilled at the opportunities for member-centered benefits we will be able to offer with this expansion, from poolside Kids' Club service to aquatic programming for all ages and ability

levels. We are particularly excited about offering year-round outdoor lap swimming in a heated, 25-meter pool for all of our members, including our competitive swim team and master's swimmers."

GAC celebrated its 19th anniversary with a soft opening of the pools on July 1.

Jorge Fernandez, three-time Colorado Swimming Coach of the Year and Head Coach of GAC's national competitive swim team, the Greenwood Tiger Sharks, has been with the club since 1991. He said, "I am excited because having the indoor and outdoor lap pools is what I have always felt that Greenwood Athletic Club needed to attract kids of all ages to our aquatic programs. They will enjoy the change of scenery and swimming outdoors on clear mornings. The indoor and outdoor pools and overall experience will give swimmers in Greenwood Athletic aquatic programs the edge to be more competitive."
